

The Hinterland Dancing Academy presents

Faith, Trust & Pixie Dust

Friday 12 December, 7pm

Hinterland Dancing Academy is proud to present their annual production, *Faith, Trust & Pixie Dust*, at the Gold Coast Arts Centre **Friday 12 Dec, 7pm**.

The Hinterland Dancing Academy has been performing at the Gold Coast Arts Centre for **21 years**, with their 2008 production involving all students from the academy with ages ranging from 3 years to professionals, performing all genres of **dance, acting and singing**.

The story of **Peter Pan** is a perennial favourite of all ages and will enchant everyone! The music chosen is as diverse as the dancing, catering to all ears and the **costumes are magnificent and colourful**.

Apart from the main theme, the evening will highlight two items performed during their wonderful concert in **Osaka, Japan** that took place in August. H.D.A. combined 17 students with the **Irie Yuki Modern Ballet Arts** to create a fantastic concert where two cultures once more shared the stage. This was in response to the Japanese Company performing with H.D.A. in 2007 at the GCAC.

Hinterland Dancing Academy are proud and honoured to announce that **Yuki and Hidekazu Irie**, who run **The Modern Ballet Arts**, are coming to Australia in order to attend the performance. This will all add to making *Faith, Trust and Pixie Dust* yet another memorable performance by H.D.A.
