

Newsletter for Hinterland Dance Academy for 2008

Welcome to another year of wonderful ballet performances from all the talented students at Hinterland Dance Academy. It is my privilege to be a part of this annual event again, capturing all the colour, fun and creativity of the 2008 concert. I had fabulous response from you all in 2007 and I would like to thank you all for your support. I really do try to keep things fun for the students and also provide wonderful images that I hope they will look back at and remember their experience as part of what is Hinterland Dance Academy.

It was my pleasure to again make a \$200 donation to HDA to assist with the various needs and fundraising efforts of the studio, which was made possible by the support I receive from all of you - thank you.

In 2007, the response to the images being on-line to view again was good and everything went very smoothly. This will be done again and I do encourage you to utilise this as much as possible. Due to a regulation enforced by the GCAC this year, pricing has had a small increase which was unavoidable; the GCAC will be collecting a fee from me for orders placed which we have previously been able to avoid.

As always, if you have any questions or concerns about the photography process for this year, please feel free to contact me in the weeks leading up to the dress rehearsal on Sunday December 7th when I will be photographing.

See you all soon!

Lisa Ford
