

HINTERLAND DANCING ACADEMY DANCE ACROSS THE BOARDS

In the Arts Theatre
Friday 11 December at 7pm

The **HINTERLAND DANCING ACADEMY** will present their **32nd annual concert** at the **Gold Coast Arts Centre Friday 11 December at 7pm.**

DANCE ACROSS THE BOARDS will display the many talents of their dedicated students who's reward it is to perform in this professional environment.

As usual the costuming, music and lighting is enthralling to both the audience and students alike. With a **beautiful ballet** based on the paintings of Degas and highlights of the exciting **Spanish ballet Paquita** all balletomanes will be delighted.

A wonderful **tribute** to **Michael Jackson** will be another highlight of the evening from the **jazz/tap students** that will bring a tear to many an eye.

As if this isn't enough to satisfy the hardest of critics, Annette Ashenden has invited **Yuki Irie** from Ballet Arts in **Osaka** and her beautiful students to join with her, once more in combining their students in dance and friendship.

This follows the highly successful cultural exchange that has existed for the past four years of combined concerts in both Osaka and the Gold Coast involving over **one hundred Japanese and Australian dancers.**
