Hinterland Academy 2011

Welcome to another year of wonderful dance performances from the talented students at HDA. As there are a few changes to how things have been done in past years, I would like to provide you all with some information to let you know what will be happening this year. Below are some dates, times and general information, please take the time to read through these and if there is anything further that you need to know or have questions, please don't hesitate to contact me.

The aim with photographing dance is to provide students (and parents!) with wonderful images to look back on and remember their experience as a part of what Hinterland Dancing Academy is and it is a privilege to be able to continue capturing these memories for you all.

- Lisa Ford

Photography dates:

December 11th - Hinterland Dancing Academy Studio, Nerang (all day)

December 12th - On stage during dress rehearsal, Gold Coast Arts Centre (morning)
